

SNOW- BAKERY

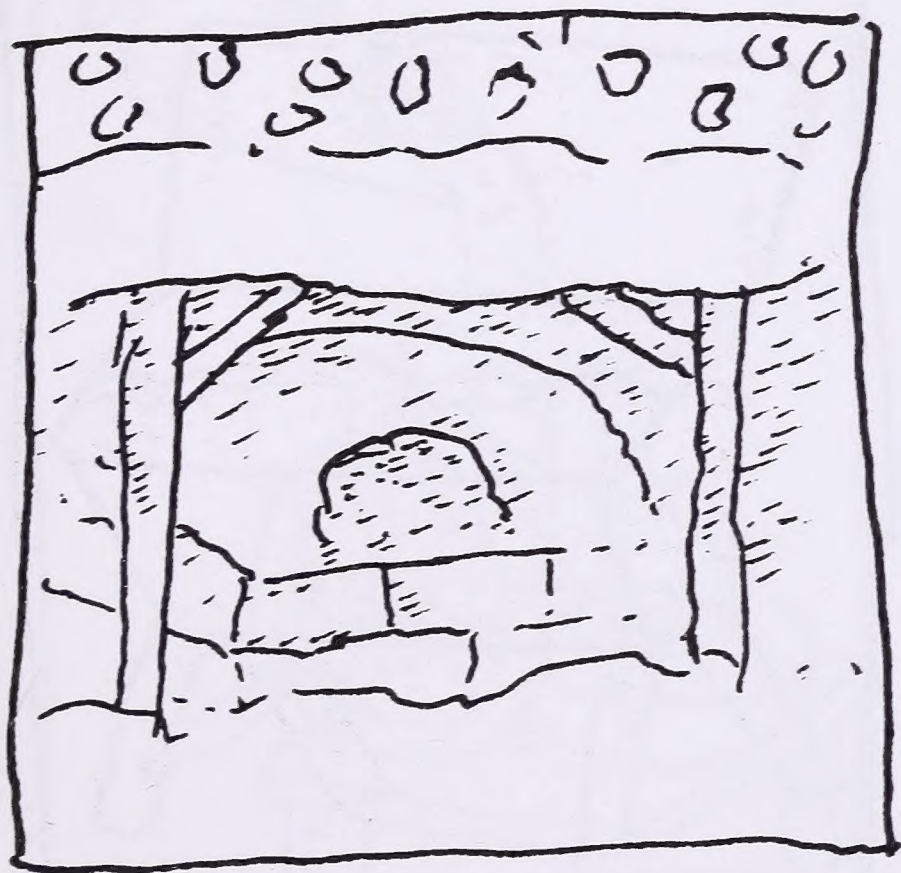

Digitized by the Internet Archive
in 2015

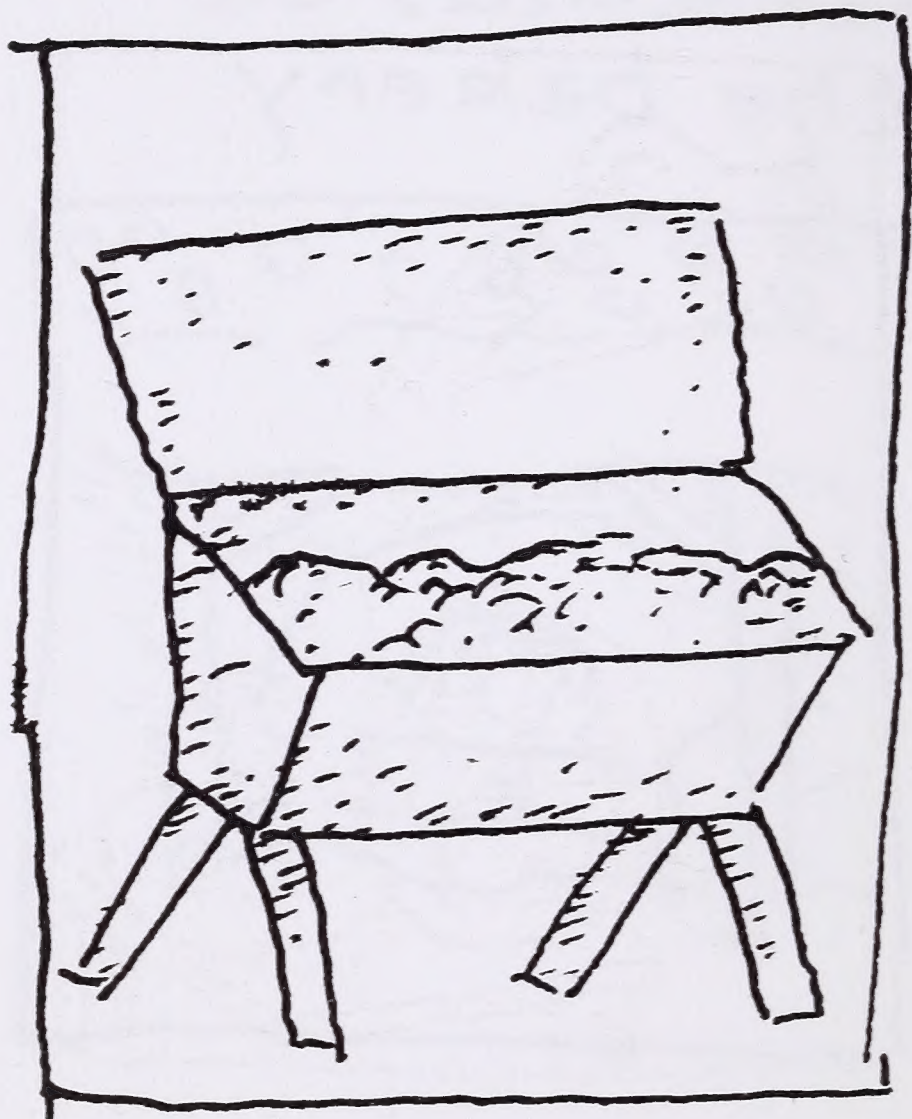

<https://archive.org/details/snowbakery00unse>

the great
white snow
descends on
the bakery

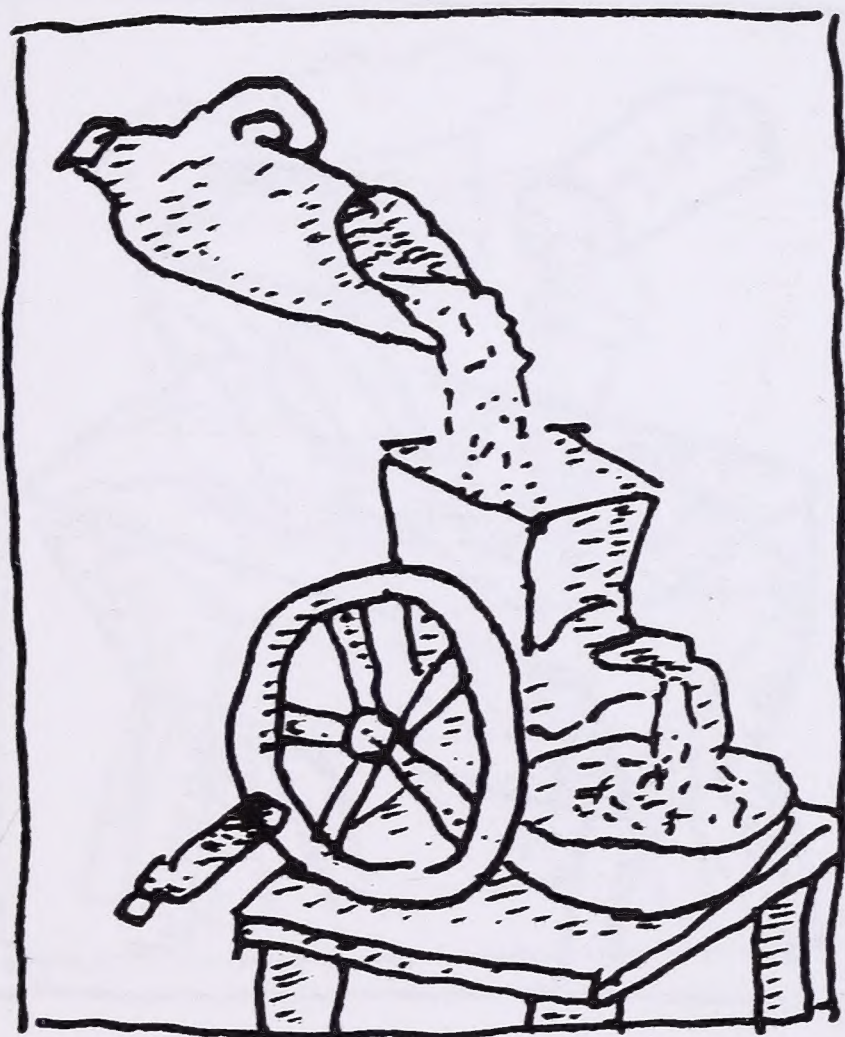

(1)

the sourclough
is waiting

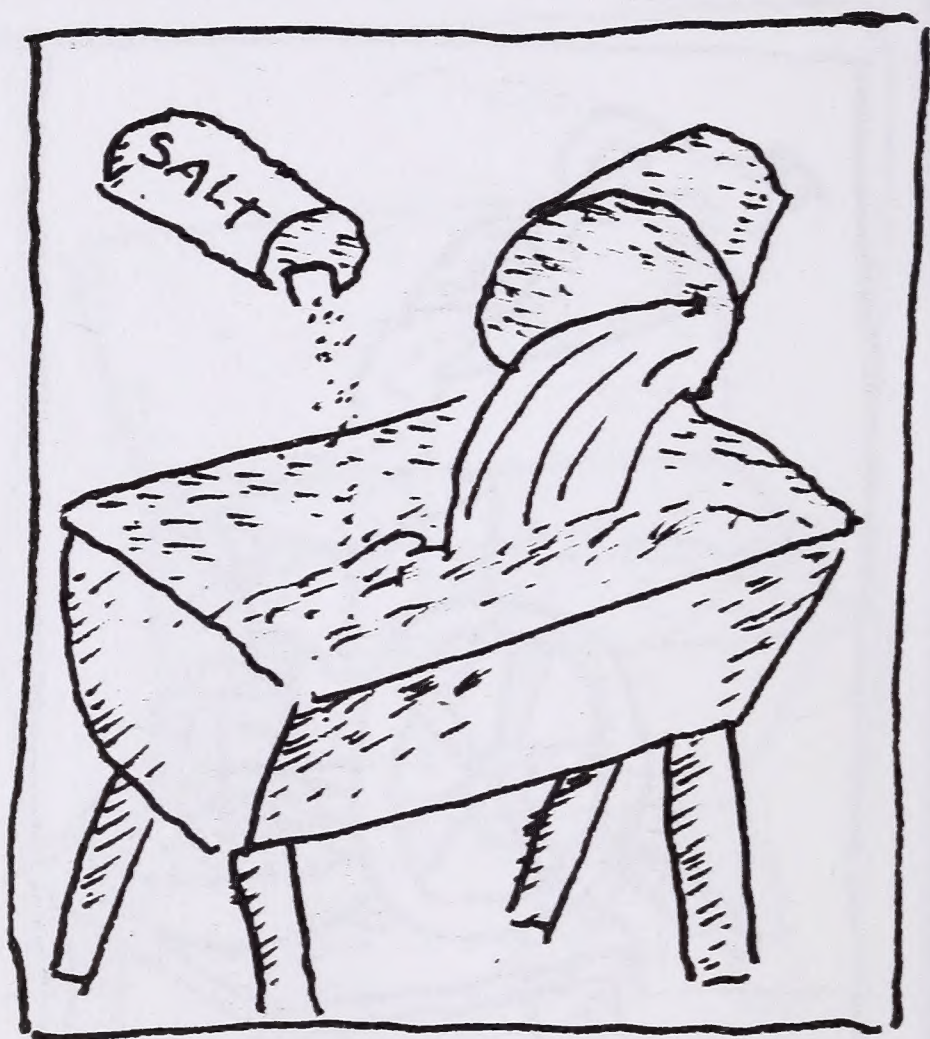

(2)

the rye gets
milled

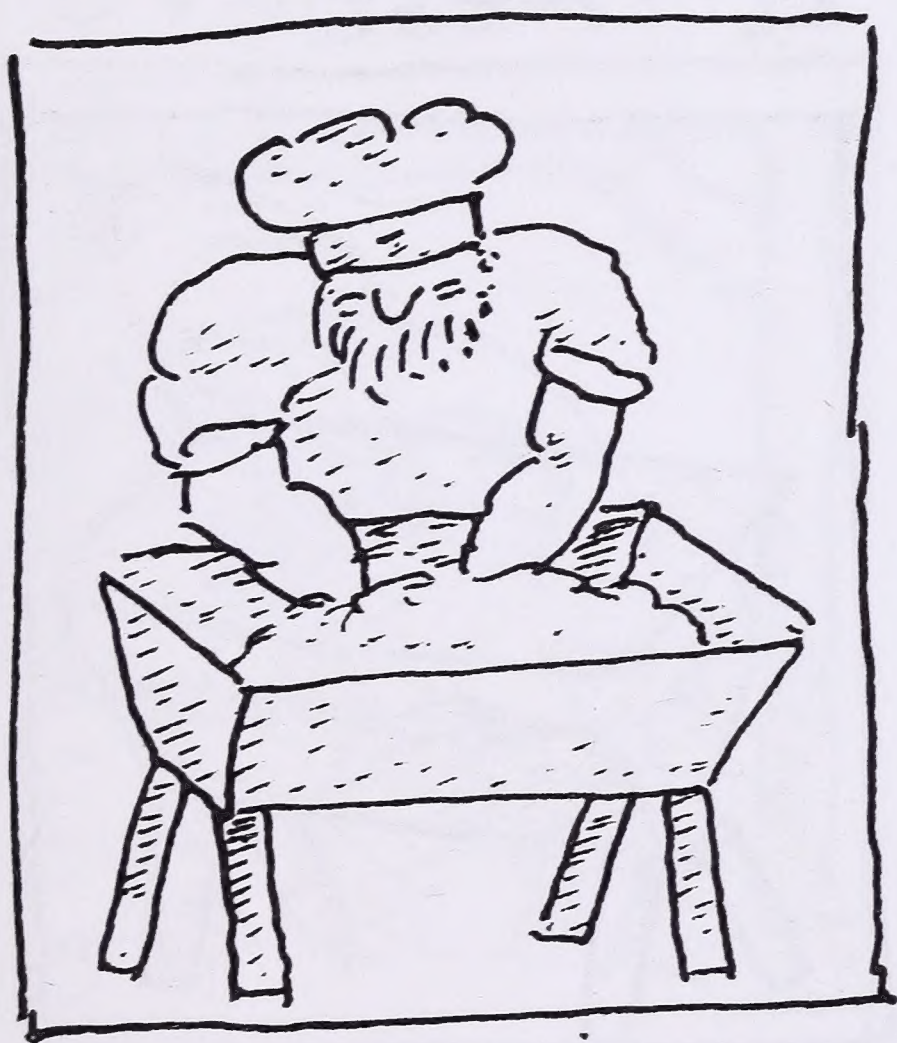

3

add warm
water and
salt

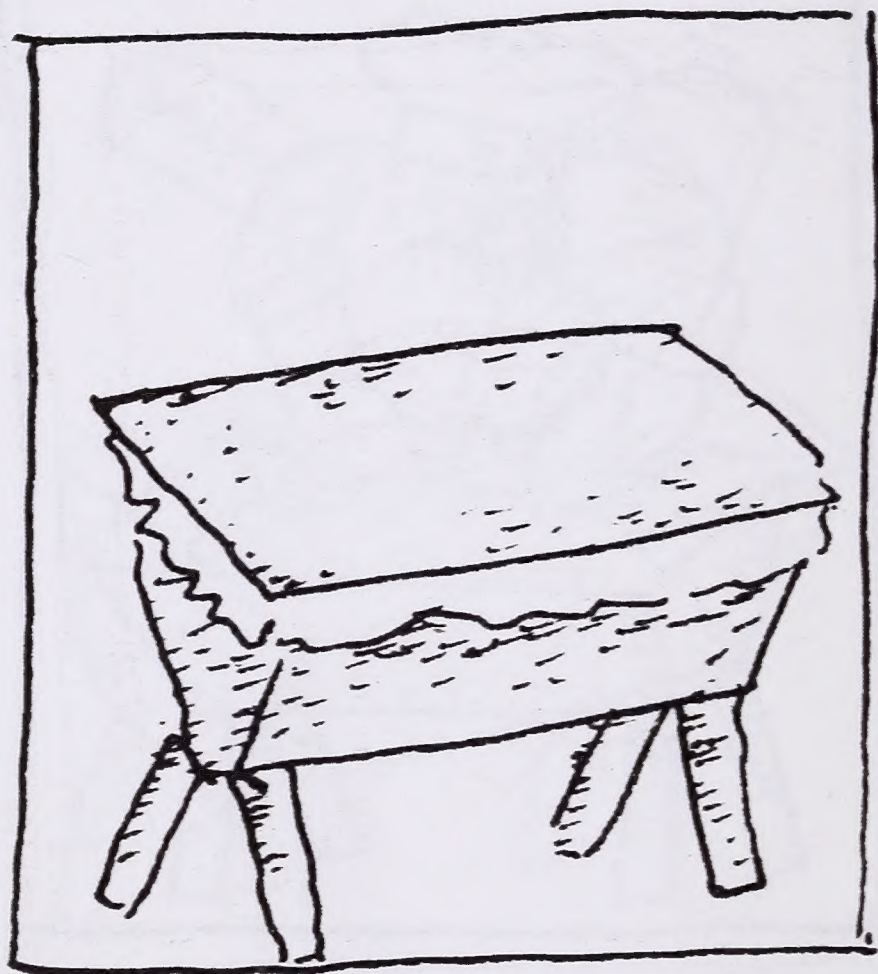

4

knead and
knead

5

cover the
dough and let
it rest

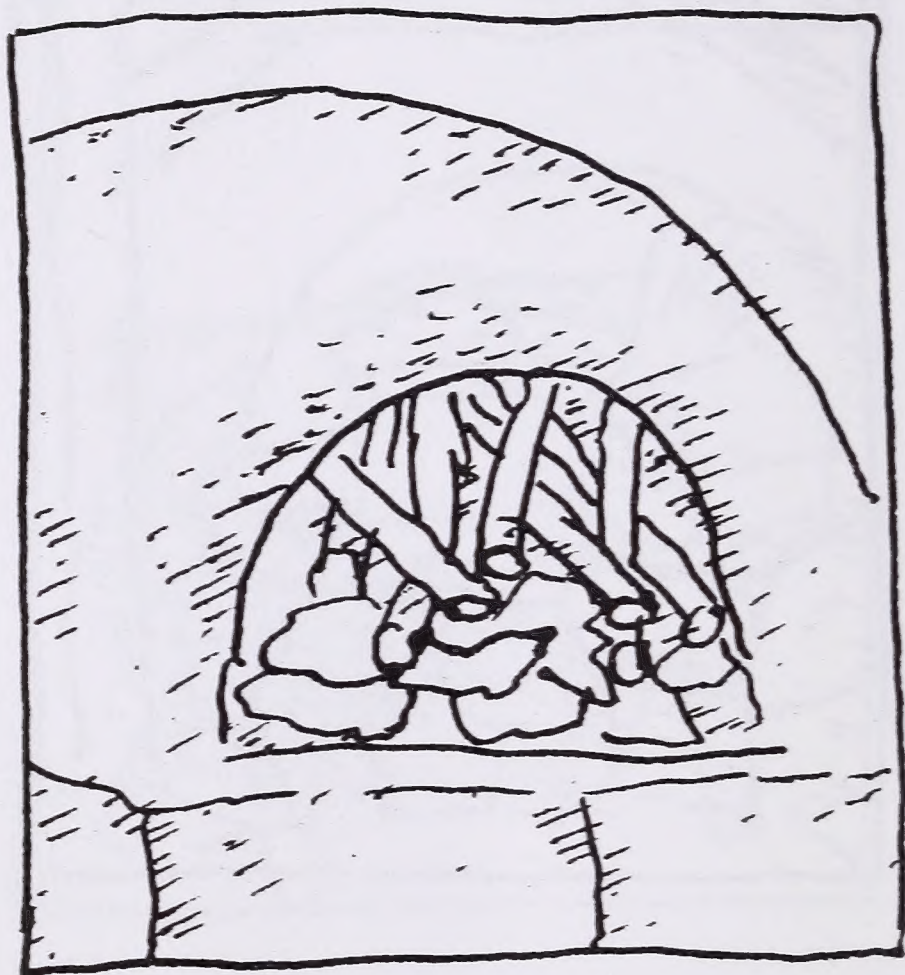

⑥

brush the
snow off the
oven

stuff it with
the N.Y. times
and slabwood

8

put a
match to it

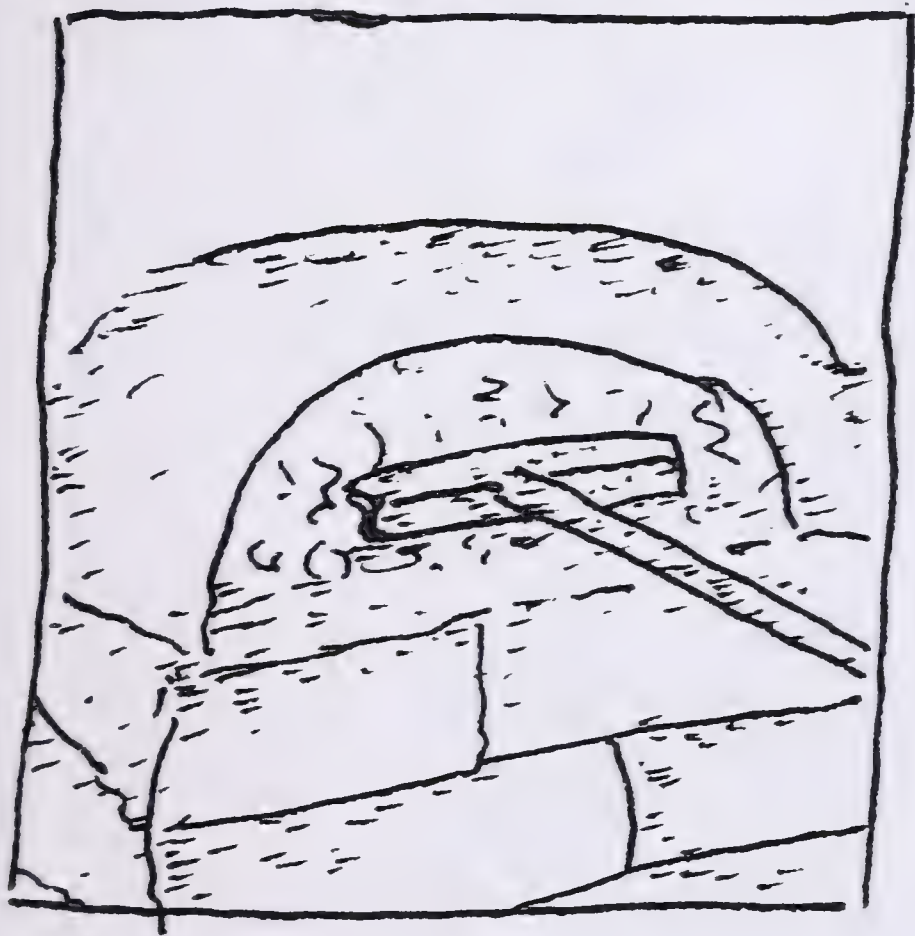

9

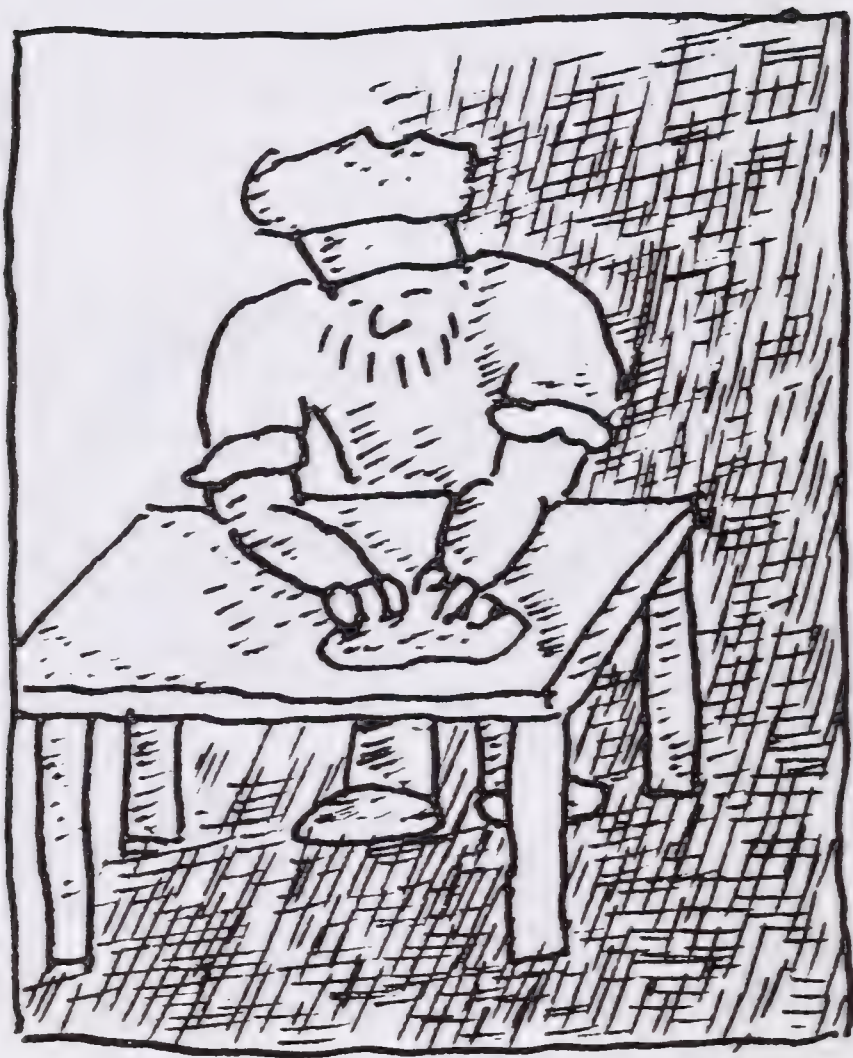

tend the fire
for one hour

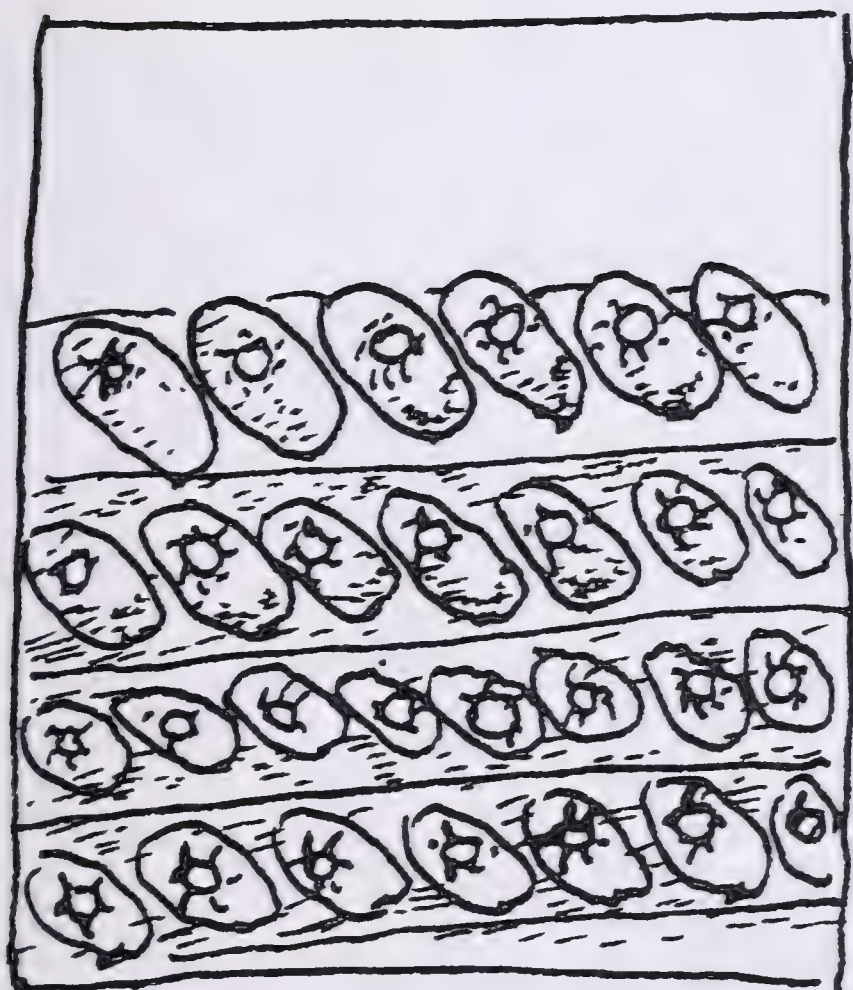

then spread
out the
glowing embers

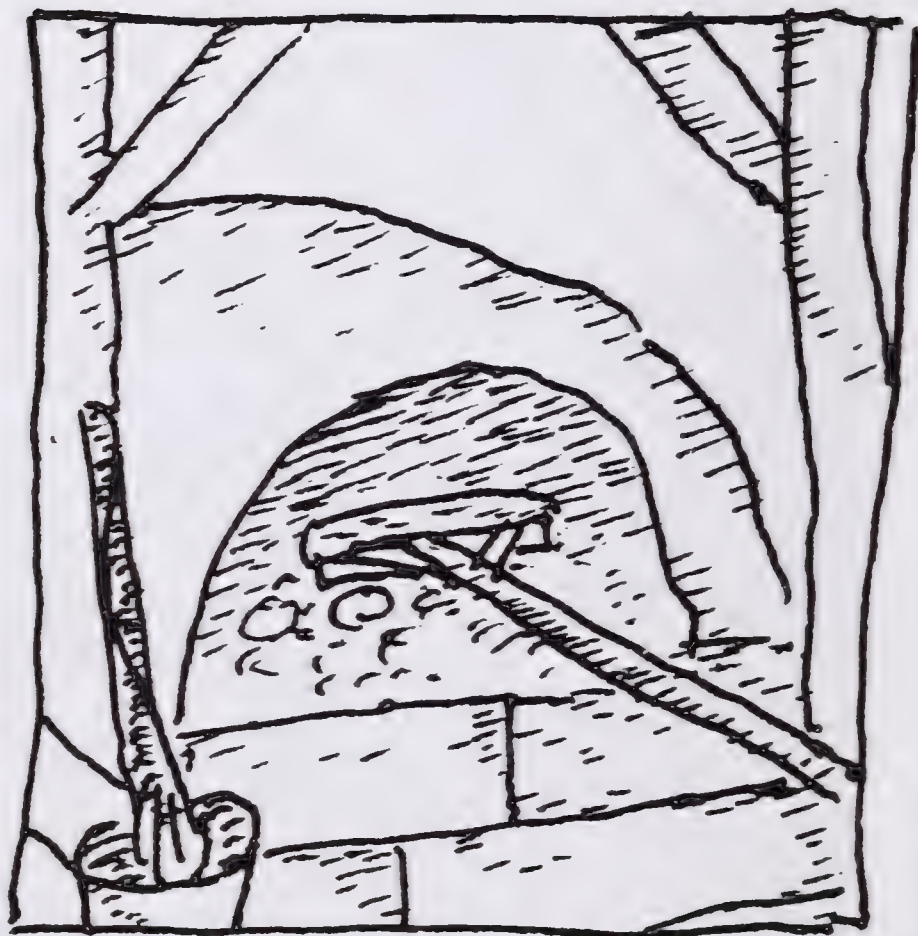

shape the
loaves

carve suns
into them

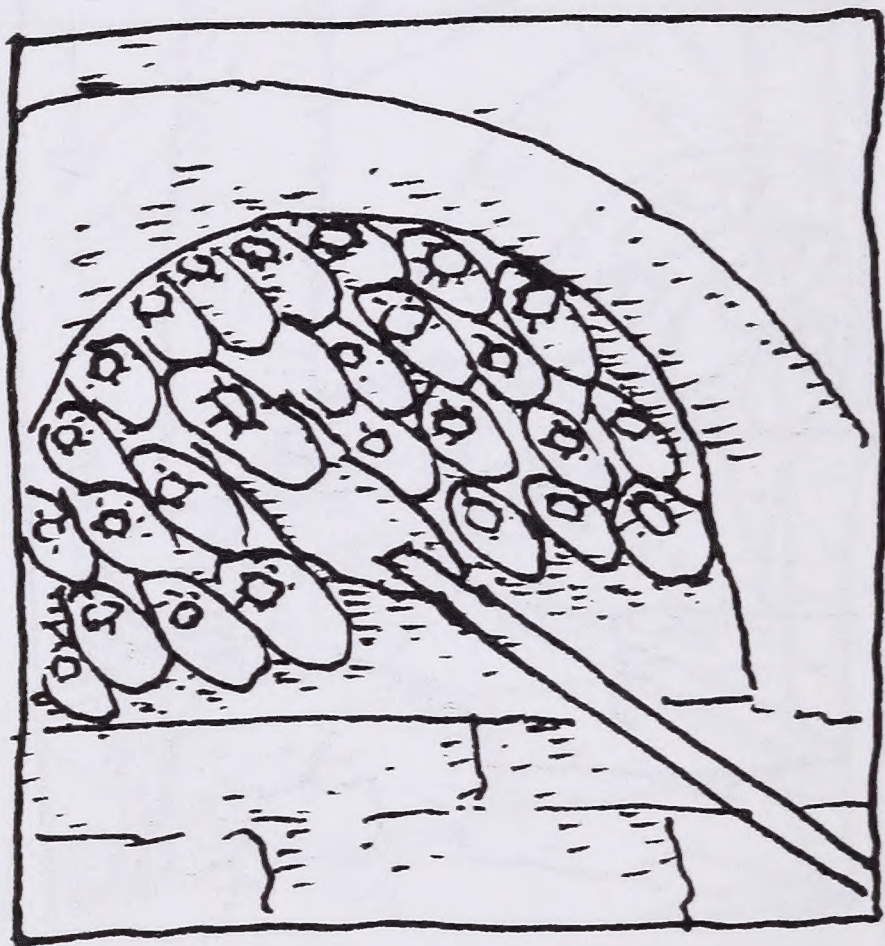

rake out the
ashes and wash
the oven floor

peel in the
loaves

and harvest
them one hour
later
